Communication about Student Learning

Lovejoy Middle is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Parent-teacher conferences during which the compact will be discussed as the compact relates to the individual child's achievement
- Provide frequent reports to parents on their children's progress
- Provide reasonable access to staff opportunities to volunteer and participate in their child's class and observation of the classroom
- Providing dates of Parent Academics via web-site, flyers, connect-ed, marquee

Building Partnerships

September

Curriculum Night (each semester)

Provide daily School Tours

Monthly-Parent Workshops for Academic course

Parent classes - September, October, November

Parent Recourse Center is open daily from 8:30-4pm

What is a family-School Compact?

A **School Parent Compact for Achievement** is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students teach grade level standards.

Effective compacts: Link to goal of the school improvement plan

1. Focus on student learning skills
2. Describe how teachers will help students
3. Develop those skills using high quality instruction
4. Share strategies parents can use at home
5. Explain how teachers and parents will communicate about student progress
6. Describe opportunities for parents to volunteer observe and participate to the classroom

Jointly Developed

The parents, students and staff of Lovejoy Middle School developed this School Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs. Parents are welcome to contribute comments at all time. If you would like to volunteer, participate and/or observe a classroom please contact:
