2020-2021 School Year

Digital textbooks Access

Dear Parents,

All scholars will have access to online textbooks for the 2020-2021 school year. Your scholar will access their textbooks using the digital platforms below. Teachers will walk your scholars through the process of accessing their textbooks through the CCPS's Portal, Rapididentity. Generally, students will click on one of the icons below, enter their student login and password, and start their lesson with a digital textbook. There are a couple of exceptions that will require the use of URLs and they are provided.
