## Virtual Learning Academy Application Process Begins July 5

**JONESBORO** – The leadership of Clayton County Public Schools (CCPS) is continuing to develop plans for the opening of the 2020-2021 school year. A variety of options have been proposed to provide an optimum education for Clayton County’s youth no matter the existing COVID-19 pandemic conditions.

One such option is the Virtual Learning Academy (VLA). The VLA offers full-time enrollment in an at-home virtual learning environment for at least one full semester.

Parents/guardians/caregivers interested in seeking the VLA for their child or children must complete the **Parent Interest Application** to be considered for this option. If there is interest in having more than one child in a family participate in the VLA, a separate **Parent Interest Application** will have to be completed for each child. Parents/guardians/caregivers will be notified of their child’s acceptance status into the VLA by July 28, 2020.

The **only** method of accessing the **Parent Interest Application** is through the Infinite Campus Parent Portal. Please see the attached document for accessing the **Parent Interest Application** on the Infinite Campus Parent Portal.

The **Parent Interest Application** will be active, **Sunday, July 5, 2020**, and will remain active until **Sunday, July 12, at 11:59 p.m.**
