School Parent Compact

2018-2019

Dear Parent/Guardian,

Lovejoy Middle School Students are participating in the Title 1. Part A Program. By signing this compact, our families agree that this compact will outline how the parents, the School Staff, and Students will share the responsibility for improved academic achievement. This compact also serves as a contract of partnership between the school and parents that will help our students achieve that State's rigorous Academic Standards. Please review the attached School-Parent Compact.

Please sign and date below to acknowledge that you have read, received, and agree to this School-Parent-Compact. Once signed, please return this form to your child's teacher and keep the brochure as a reminder of your commitment. The School-Parent-Compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school. We look forward to our school-parent partnership.
